

The 13th Day

The Story of Our Lady of Fatima

3 Children chosen to carry
a message of hope

2nd Saturday of March

Based on the memoirs of the oldest Seer, Lucia Santos, and many thousands of independent eye-witness accounts, *The 13th Day* dramatizes the TRUE story of three young shepherds who experienced six interactive apparitions with a “Lady from Heaven” between May and October 1917, which culminated into the final prophesized Miracle of the Sun.
